Subject: [Staffcfr] FW: RSVP for Nov. 6 Alumni Event

Dear All:

On Saturday, November 6, the Forest Resources Alumni Association will be holding their annual recognition event at the Center for Urban Horticulture. (Details about the event are below.) The school currently has 24 comps available (8 each for faculty, staff, and students [\*: see below for an even greater deal for undergraduate and graduate students with research posters]) on a first-come, first-served basis. If you would like to attend, please email Caroline Rosevear, [Rosevear@uw.edu](mailto:Rosevear@uw.edu), or me no later than Friday, October 29, after which we will redistribute the available tickets according to demand.

If you would like to bring your spouse or partner, we will extend the UWAA/student price of \$30 to them, but you will need to register through Caroline to get this rate. Please also note that this is a family friendly event, and that tickets for children 8-18 are \$15, and children under 8 are free.

This event is a great way to connect with alumni you may not have seen in a while, many of whom are donors and volunteers who put in many hours on our behalf. I encourage you to take advantage of this opportunity to become better acquainted with some of our most dedicated supporters.

See event information and registration information below:

The Forest Resources Alumni Association (FRAA), in partnership with the School of Forest Resources (SFR) and UW Alumni Association, will bring together alumni, SFR faculty and staff, students, and other members of the SFR community for a special reception, awards ceremony and display/poster show that features the work of our fantastic faculty and students.

Heavy hors d'oeuvres and non-alcoholic drinks will be served, as well as beer and wine. Families are welcome and encouraged to attend.

When: Saturday, November 6, 2010 from 5-7 p.m. (FRAA Annual Meeting 4-5 p.m.)

Where: Center for Urban Horticulture, UW Seattle

Cost: \$30 UWAA members; \$35 general admission; \$15 children 8-18 years of age (children under 8 are free)

\* We are seeking ten total posters from undergraduate and graduate students (ideally 5 from each). Each student who brings and stands by their poster during a relatively short time period will receive a comp. These comps are in addition to the 8 offered to students above.
