

UNIVERSITY of WASHINGTON

School of Forest Resources

December 4, 2009

To: Members of the School Lands and Educational Outreach Committee (B. Boyle, D. Briggs, J. Calhoun, I. Eastin, R. Edmonds, G. Ettl, J. Franklin, T. Hinckley [Chair], C. Lauver, S. Lier, B. Lippke, C. Paul, and C. Rosevear)

From: Tom Hinckley, Interim Director

Re: Charge to the Committee

This new committee represents a consolidation of three previous committees, the Council of Center Directors, the Lands Committee, and the Educational Outreach Steering Committee. The committee is responsible for:

1. Meeting at least once every quarter.
2. Recommending policies to guide the management of all lands and their associated facilities under the School's jurisdiction.
3. Facilitating the Denman Forestry Issues Series, the Environmental Forum, and all educational outreach events organized and sponsored by the School.
4. Review and update existing strategic plan for outreach, <http://www.cfr.washington.edu/sfrTools/committees/edOutreach/StrategicPlan.pdf> with the goal of enhancing efficiencies and encouraging collaboration, and submit plan to Interim Director by May 15, 2010.
