Register Now for Pack Forest Alumni Camp!

CFR alumni and families invited to a weekend of outdoor fun, July 19-21, 2002.

Pack Forest, resting at the foot of breathtakingly beautiful Mt. Rainier, has miles of forest trails for hiking and biking that feature diverse wildlife habitat, spectacular views, waterfalls, and old-growth and young forest stands. With a large playfield, great food, and comfortable cabins, Pack Forest is perfect for a summer family camp.

Alumni of the College of Forest Resources are invited to bring their children and grandchildren to a weekend of learning, sharing, and fun. Youth education leaders and naturalists have planned creative, age-appropriate activities that will focus on outdoor adventure, discovery, and education.

Campers can participate in planned activities or do their own exploring. Events include naturalist-led hikes, special presentations and guest speakers, arts and crafts, field games, and—back by popular demand—a visit to NW Trek, where guests will ride the tram and make a behind-the-scenes visit to see the bears close up. It all adds up to a weekend of family fun.
