

## Lessening the Undesirable Environmental Consequences

### Today's agenda

- Complete CP Survey
- Instructions for Today (done by 12:45)
- Field Reconnaissance (back here by 1:15)
- Prepare for Briefing/Discussion
- Group led Briefings/Discussions (1:20-1:50)

### Your Objective

- Make observations about possible opportunities for improving the sustainability of your assigned building
- Generate questions to be raised with facilities folks and capital projects folks

### Buildings

- Anderson Hall (ca 1925)
- Mechanical Engineering Bldg (ca 1959)
- Winkenwerder Hall (ca 1962)
- CSE/EE Building (ca 2000)
